

Pinot Grigio Rosato Vigneti Delle Dolomiti IGT

The vineyards are situated in northern Italy, in the provinces of Trento and Bolzano; this area, surrounded by the Dolomites, is characterized by a continental, alpine climate, which favors the slow ripening of the grapes while diurnal temperature changes lead to the production of grapes with crisp and fruity aromas and flavors; the soil is mainly calcareous and alluvial in origin. Once in the winery, the grapes are de-stemmed and left to macerate for a few hours, in order to extract the typical light rosé color from the skins; thereafter the grapes are softly pressed and the juice undergoes the fermentation with temperature control. Once the fermentation is over, the wine is matured on its fine lees for a few months, to enrich it with complex secondary aromas.

JAMES SUCKLING: 90/100

LUCA MARONI: 93/100

Winemaking and Aging

Grape Varieties: 100% Pinot Grigio

Closure: Diam or screw-cap

Vineyard location: Surrounded by the Dolomites, is characterised by

a continental, alpine climate

Soil composition: Mainly calcareous and alluvial

Tasting Notes and Food Pairing

Tasting notes: Pale rosé in the colour, fruity and floral on the

nose, with hints of pear and acacia blossoms. Dry and delicate on the palate, well balanced, with a

pleasant fresh note

Serving temperature: 11-12 °C

Food pairings: Excellent as an aperitif, this wine fits well with

grilled fish, white meats and light dishes

Alcohol: 12,5%
