Pinot Nero Riserva Trentino DOC

Neil and Maria Empson created Bollini to fill a gap in the market for quality wines from the Alpine foothills of Friuli and Trentino in 1979. Their goal was to showcase the excellence and consistency of international varieties grown in Italy's cool northeastern regions, while keeping the prices affordable. Choice hillside locations, ideal day/night temperature swings, good ventilation and the complexity and minerality that come from the soil, all contribute to achieving concentrated, highly extracted fruit.
