## Primitivo di Puglia IGT

Matané wines comes from Salento, Puglia's most southern province, located right up against the Ionian and Adriatic seas. In fact, the gorgeous vineyards are windswept by salty breezes coming off the sea. The area's amazing palette of colors – with its blue-green waters and deep red soils – and dynamic sensations give Salentino wines an extra layered depth, unique to the region. The wine was named for its owners – **Maria, Tara and Neil** – who partnered with a team of experts to make a wine that fully represents this region. This grape thrives in the particularly hot and dry weather of the Salento area leading to intense wines with beautiful notes that range from dark-skinned fruits to sweet spices. It is especially recognizable for its inky color and blackberry, pepper and anise aromas. Primitivo, as well as Zinfandel, are clones of a Croatian grape called Crljenak.
